SHARPENING FOR WOOD TURNERS

When: April 26, 2025

9AM to about 2PM

Where: Stan Stephens Shop

420 N. Montgomery Ct.

Visalia, CA

Cost: $40

Instructor: Craig Miller

Craig will show you how to sharpen your turning tools in this hands-on class. Methods covered will include using aluminum oxide and CBN grinding wheels along with the Wolverine jig sharpening system on a slow-speed grinder.

Please bring a dull turning tool to the class and it will leave with a ready to turn edge. Each student is responsible for supplying their own (but no more two one) dull turning tool, safety glasses, and hearing protection. Bring paper and pencil to take notes.

Bring a chair and a sack lunch.

If you have questions, you can contact Craig at (559) 967-0871 or craigm68@yahoo.com.
